### ***Compliance with Approved Plans***

1. The development hereby permitted shall be carried out in all respects in accordance with the application dated 14/6/22 and the hereby approved documents defined by this permission as listed below, except where varied by a condition attached to this consent:

Application Form dated 11.6.21

Extraction Equipment and Maintenance Schedule dated 10.6.21

6N02250/00

MEJ/2021/615/004 issue 3

MEJ/2021/615/005 issue 2

MEJ/2021/615/006 issue 3

MEJ/2021/615/007 NTS

### Reason

To ensure that the development is carried out only as indicated on the drawings approved by the Planning Authority.

### ***Before Occupation***

2. Prior to the beneficial use of any part of the development, the ceiling/floor between the ground and first floor must be acoustically insulated and thereafter permanently retained as detailed on plan MEJ/2021/615/004 issue 3.

#### Reason

To protect the residential amenities of the occupiers of the first floor flat.

3. Prior to the beneficial use of any part of the development, the wall treatment panel between the site and 7 Risedale Road must be installed and thereafter permanently retained as detailed on plan MEJ/2021/615/007 NTS.

#### Reason

In order to protect the residential amenities to the occupiers of 7 Risedale Road.

### ***Operational Conditions***

4. The use hereby permitted shall not operate between the hours of 2300 and 0700 the following day.

#### Reason

In order to protect the residential amenities of the area.

5. Emissions from any proposed or future cooking processes must be extracted through a properly designed and constructed exhaust ventilation system, adequately filtered and discharged at sufficient height and velocity to prevent cooking odours being observed at any neighbouring properties. The exhaust gas flow must not be restricted by any plate, cowl or similar structure at the outlet which might affect dispersion. The system must thereafter be retained as approved unless the Planning Authority gives prior written approval to any variations and operated and maintained in accordance with the manufacturer's instructions.

#### Reason

In the interests of the amenities of the surrounding area, including occupants of neighbouring properties, by minimising the potential for the discharging of cooking odours.

6. Noise from the development, including noise from the extraction equipment required by any other condition attached to this consent, must not exceed Noise Rating Curve NR30 during daytime hours (07.00 -23.00) and NR25 during night time hours (23.00 - 07.00) in any adjacent noise sensitive property.

### Reason

In order to minimise the potential for noise pollution.

### **65 – 197 Rawlinson Street, Barrow-in-Furness**

#197/005, 006  
Revolution SLC Motor - Product Overview  
Circular Straight Silencer  
Supporting email dated 9.9.22

### Reason

To ensure that the development is carried out only as indicated on the drawings approved by the Planning Authority.

#### ***Before Occupation***

3. All future emissions vented to the 'external environment' from cooking processes must be extracted through a properly designed and constructed exhaust ventilation system, adequately filtered and discharged vertically at sufficient height, at least 1 metre above eaves level, or incorporating adequate odour mitigation measures in the ventilation extract design to prevent cooking odours being observed at any neighbouring properties. Any exhaust gas flow must not be restricted by any plate etc at the outlet which might affect dispersion. The system must be fully installed and operational prior the beneficial use hereby approved and adequately maintained thereafter as such in perpetuity.

Reason

In order to protect the residential amenities of the area.

4. Noise from the development must not exceed Noise Rating Curve NR 30 in daytime hours (0700 - 2300) and NR 25 in night time hours (2300 - 0700) in any noise sensitive property.

Reason

In order to protect the residential amenities of the area.

5. The use hereby permitted shall not operate between the hours of 2300 and 0600 the following day.

Reason

In order to protect the residential amenities of the area.

6. The refuse bins for the use hereby approved shall be store within the rear curtilage of the premises.

Reason

In order to protect the residential amenities of the area.
